

## Dokumentation Covid-vaccination - Version: 2023-01-25

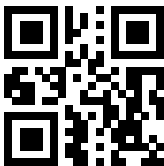

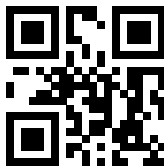

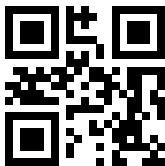

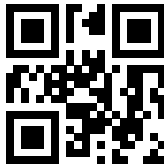

### Batchkoder/LOT för skanning till NCS Cross

För en ökad säkerhet att rätt information/format blir dokumenterat gällande batchnr. i Cross så rekommenderas att dokumentationen görs med hjälp av handskaner. Öppna sökordet Batchnummer och skanna av aktuell QR-kod för att få in numret i Cross.

**Nya koder kommer löpande att distribueras när nya batchnummer blir aktuella.**

**I detta dokument finns bara batchkoder som 220812 inte har ett passera hållbarhetsdatum (observera att hållbarheten förlängts på vissa vacciner)**
