Caafimaadka, barashada iyo ammaanka (HLT)

Maamulka Magaalada Umeå iyo xarumaha caafimaadka golaha degmadu waxay ka wada shaqaynayaan inay siiyaan carruurta, da'yarta (0-16) iyo qoysaskooda taageero wakhtigeeda taagan oo nidaamsan.

Språk Somali

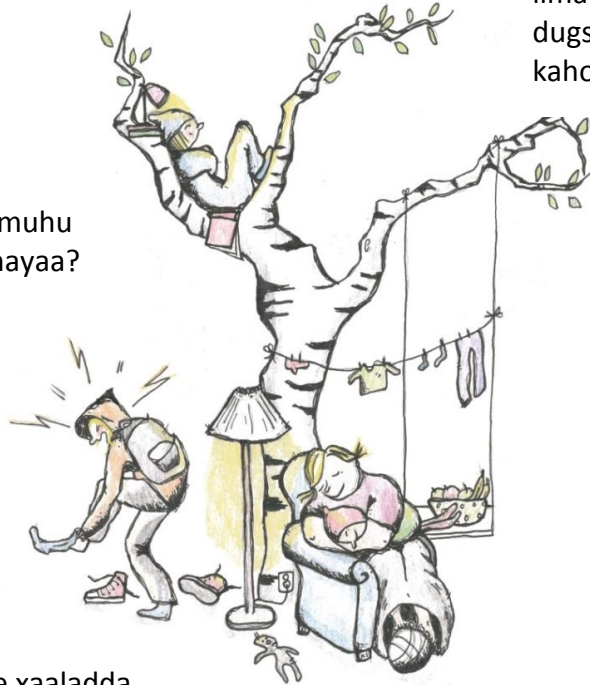

Muujije Nadia Svanborg

Kulamada caafimaadka, barashada iyo ammaanku (HLT) waxay u suurto galiyaan ilmahaaga iyo qoyska in la siiyo taageero xirfadaha kala duwan oo nidaamsan oo ka timaadda dugsiga/caafimaadka ardayga, adeegyada bulshada iyo xarunta caafimaadka.

Tani waxa dhici karta inay la xidhiidho arrimaha sida:

Sidee wax ugu socdaan ilmaha dugsiga barbaarinta kahor/dugsiga

Sidee ilmuhu dareemayaa?

Waa sidee xaaladda dareen ee ilmuhu?

Sidee waalidku dareemayaa oo sidee wax ugu socdaan?

Sidee ilmuhu ula falgalaa dadka kale?

Kulanka HLT wuxuu u dhexeeyaa wakiilada dugsiga barbaarinta kahor, dugsiga hoose, caafimaadka ardayga, xarunta caafimaadka iyo adeegyada bulshada. Marka uu oggolaado waalidka/masuulka ilmuhu, kooxda HLS waxay ka hadli xirfadlaha ama xirfadlayaasha ugu fiican inay caawiyaan qoyskaaga.

Toddobaad gudihii laga bilaabo markii uu dhammaado kulanka HLT, waalidka/masuulka wuxuu heli doonaa jawaabcelin kusaabsan kulanka.
